

Electronics Engineering Technician

Schumacher Elevator Company is seeking a talented Electronics Engineering Technician to join our team. In this role, you will play a key part in building, testing, and troubleshooting elevator controllers and assemblies. The ideal candidate is skilled in electronics, thrives on problem-solving, and excels in critical thinking and collaboration.

What you'll need for this position:

- 2-year Electronics Engineering Technician degree or equivalent experience
- Strong electrical design and troubleshooting skills involving motors, VFDs, PLCs, circuit boards, and electromechanical systems
- Programming skills for PLCs, HMIs, and embedded controls
- Ability to read and understand schematics, and written specifications
- Ability to work independently and collaborate as a group towards a common purpose
- Ability to troubleshoot remotely with personnel in the field
- Available to travel occasionally (10 – 15% of the time)

What you'll be doing:

- Wiring, testing, and verifying the operation of elevator panels and other electrical assemblies
- Troubleshooting new and existing elevator equipment and collaborating with other team members to solve complex technical issues
- Recommending changes to manufacturing processes that improve efficiency of assembly, installation, and support of our products throughout their lifecycle

The details:

For 90 years Schumacher Elevator has been a well-known and respected family owned and operated company that designs, manufactures, installs and services custom passenger and freight elevators.

Position is full-time, first shift. We offer a competitive wage and benefits package that includes medical, dental, life and disability insurance, 401(k) match, PTO, paid holidays and bonus eligible. Post-offer background check and drug screen required.

We are an Equal Opportunity and Affirmative Action Employer.

Ways to Apply:

- Apply directly online at www.schumacherelevator.com/careers by uploading your resume and application.
- Send resume to Director of Human Resources, PO Box 393, Denver, IA 50622
- Email to Employment@SchumacherElevator.com
